

# 7th Annual Helpings of Hope

Salvage One | 1840 W Hubbard Street | Chicago, IL 60622  
 Tasting 7:00pm | Program 8:30pm  
 Thursday, November 14, 2019

Dear Chefs and Restaurateurs,

Franciscan Outreach will host the 7th Annual Helpings of Hope on Thursday, November 14, 2019 at Salvage One in Chicago. Together, with more than 200 community members, local businesses, and philanthropic supporters we will raise awareness and support for our Chicago neighbors in need.

This premiere tasting event will include:

- Delicious signature dishes from chefs and restaurants and complimentary beverages of local craft beer and wine
- Prominent business leaders and important members of the philanthropic community will be in attendance
- An Ultimate Tasting Raffle to some of Chicago's most exciting restaurants, wineries and breweries

Please consider participating in Helpings of Hope. We would like to showcase your signature dish at the event. We also welcome the opportunity to feature local craft beer and wine. Your participation will support Franciscan Outreach and the hundreds of men and women we serve each day.

Your participation will allow us to provide help and hope to our neighbors in need. Every day we provide healthy meals to those who are hungry, a warm bed for those who need shelter, vital case management services for those who need guidance, and access to critical resources for those who need specialized assistance. Throughout the year, we provide life-changing programs and services to more than 7,600 men and women in need.

At Helpings of Hope, we'll feature all participating restaurants, breweries and wineries that are donating their time and talents by serving a taste of some of their most popular dishes and drinks.

### Past Featured Restaurants

Dream Chef Kitchen	MacArthur's Restaurant
SIP Southport & Irving	Madison & Rayne
First Slice	Maple & Ash
FlatTop Grill	Milts BBQ

### A Partnership

We appreciate all the participants who support this event and we work hard to make sure it is a worthwhile experience for all involved. Participants are promoted through event materials, on our website, and through social media posts. We send multiple e-blasts to promote the event and the participating restaurants, wineries and breweries, to a local audience of approximately 4,000 subscribers.
